FOOT PROTECTION

Safety Jogger Safety Shoe

ALTAR S3 MID

Multi purpose comfortable mid-cut zip boot

The ALTAR S3 mid-cut boots boast SR slip resistance and a heat-resistant outsole, ensuring your safety on slippery and hot surfaces. The composite toecap and metal-free design make them lightweight and perfect for professionals frequently passing through metal detectors. They feature a water-resistant, breathable leather upper for comfort and durability, and a non-marking rubber outsole resistant to oil, fuel and chemicals. The removable foot bed allows for customization or the use of orthopaedic insoles. With heel and forefoot energy absorption, these safety shoes minimize the impact on your body, relieving body posture pain and ensuring less sweaty, hot feet.

FOOT PROTECTION

Safety Jogger Safety Shoe RUSH S3 MID

Fashionable safety shoe with a zipper on the side

Equipped with a steel toecap and midsole, Safety Jogger's RUSH safety shoes promise superior protection against falling or rolling objects and sharp objects on the ground. Its antistatic feature ensures safety against static sparks while the breathable leather upper guarantees comfort and durability. Resistant to oil and fuel, it's perfect for automotive, oil & gas, and other industries. With a strong grip, customizable footbed and the added convenience of a side zipper, it ensures comfort in any environment, may it be wet, muddy or uneven. It's not just a shoe, it's a shield for your feet!

FOOT PROTECTION

Safety Jogger Safety Shoe SAFETYBOY S1 P

Mid-cut leather safety boot for daily protection

Step into safety with Safety Jogger's SAFETYBOY shoes. These high-quality safety shoes are designed with SIP technology, perfect for dry environments and ensuring toe protection, breathability, and perforation resistance. The robust steel toe cap and puncture-resistant steel midsole provide superior protection against falling or rolling objects. With a slip-resistant outsole, you'll enjoy a firm grip on any surface, while the customizable footbed offers personalized comfort. SAFETYBOY shoes also help relieve body posture pain, prevent static sparks, and keep your feet cool. Suitable for various industries like automotive, mining, and construction. Reliable, versatile, and budget-friendly, the SAFETYBOY is your go-to choice for a safe workday.
